10th July, 1940.

Lighting Restrictions.
F.B. Circular No.101/1940.

I am directed by the Minister of Home Security to refer to F.B. Circular No.24/1940, and to say that there appears to be some doubt on the part of fire brigades as to the action to be taken with regard to vehicle lighting during air raid warning periods.

During such periods all self propelled appliances and towing vehicles used for emergency fire brigade purposes are permitted to show the following lights:—

- (a) the masked headlamp and
- (b) the distinctive "Fire" illuminated sign on the other headlamp (F.B. Circular 4/1940) and
- (c) the side and rear lamps dimmed in the prescribed manner.

I am, Sir,

Your obedient Servant,

The Town Clerk,
The Clerk to the Council.
